We do not have responsibility with content of this book.

Best friends Annie and Sarah need cashâ€™fast. Sarah, a beautiful, successful lawyer, wants nothing more than to have a baby. But balancing IVF treatments with a grueling eighty-hour workweek is no walk in the park. Meanwhile, Annie, a Harvard-grad chemist recently transplanted to Southern California, is cutting coupons to afford her young autistic sonâ€™s expensive therapy.

Desperate, the two friends come up with a brilliant plan: theyâ€™ll combine Sarahâ€™s looks and Annieâ€™s brains to sell a â€œluxuryâ€• antiaging face cream to the wealthy, fading beauties in Annieâ€™s La Jolla book club. The scheme seems innocent enough, until Annie decides to add a specialâ€™and oh-so-illegalâ€™ingredient that could bring their whole operation crashing to the ground.

Hilarious, intelligent, and warm, Crimes Against a Book Club is a delightful look at the lengths women will go to fend for their families and for one another.
